

**An owl swoops down next to Red. The owl asks Red what he is looking for and Red explains that he's trying to get back to the woman's house.**

**The owl directs Red the way back and leaves with a piece of advice: be careful, destruction is coming. Red is confused by the owl's message but wants to get back home to where there is food and warmth.**

**Red can follow the owl's directions**

**Red can ignore the crazy owl and try to find his way without the owl's help**
